

# Honda Civic Hybrid

*Genuine Accessories*

## Tailor your dreams

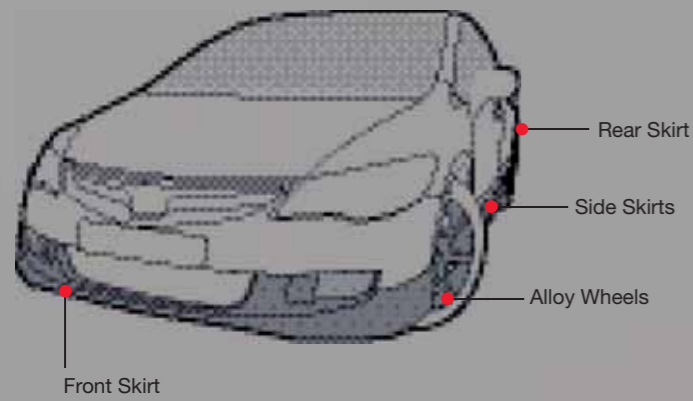

In the Honda Civic 4Door, you are driving one of the most innovative cars on the road. Offering high levels of luxury, coupled with the meticulous engineering that goes into every Honda, the Civic is a personalised driving experience packed with emotion and energy. Whether touring across country or on a city commute, there is a range of Honda Genuine Accessories to enrich your experience. From sports inspired exterior options to interior accessories that change your look and help you travel with ease, there's a Honda accessory for everyone. It's time to personalise.

# Agile

Create a dynamic image for your Civic 4Door with a range of sports-inspired accessories. From a bold trunk spoiler to slick skirts, your Civic can draw inspiration from Honda's sporty heritage. Couple all this with sleek alloy wheels and the Civic cuts a lithe shape across cities and motorways alike.

Exterior accessories can be added separately to suit your personal style and taste or combined to create a polished sporty image.

## Alloy Wheels

The 16 inch alloy wheels shown on the car are not applicable on Civic Hybrid.

# Capable

Practical and infinitely adaptable to your lifestyle, the Civic 4Door is capable of transporting you and your luggage with effortless ease and convenience. A wide range of utility accessories that can further enhance your storage, make the Civic 4Door the consummate tourer.

## MBASS WORKS

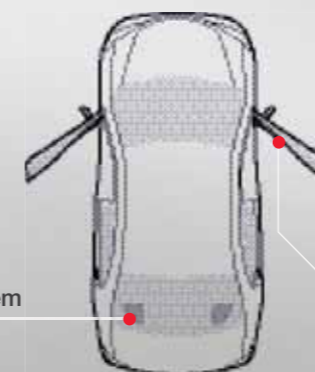

Indulge in richer deep bass sounds and brighter high-quality audio with the Bass System package. This audio performance pack includes two special low-frequency speakers for the rear positions, which guarantee high-quality sound in the lowest and low-mid frequency range. To balance the bass effect, you can fit two dual cone or co-axial speakers in the front doors – all seamlessly integrated. The result? Crisp and clear audio throughout the full frequency range.

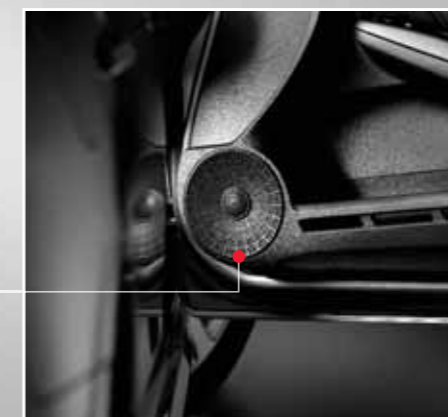

The Premium Concert Pack contains an amplifier and 4 speakers. The maximum output of the total audio system is 270 W.
