

Kids need holidays too

When you're small, long journeys can seem very, very long.

Not much to look at, not much to do...

Remember the arguments in the back seat over who had which toy?

Remember the mess you made with colouring pens, games, food and drinks? Remember being too excited to sit quietly in your seat, and asking again and again, how much further...?

Thankfully, times have changed. **Honda's Rear Entertainment System** offers your back seat passengers, young and old, the option of taking their own fun with them on those long trips. And in a beautifully sleek package that's designed specially to **add to the beautiful finish of your car's interior**.

Safe, comfortable and entertained, both children and adults can watch their favourite films or listen to their own music. Meanwhile, you can relax, chat and concentrate on **enjoying your drive**.

Now that's what we call a holiday!

System can be easily removed for use outside the car.

Rear Entertainment System

These specification details do not apply to any particular product which is supplied or offered for sale. The manufacturers reserve the right to vary their specifications, including colour, with or without notice and at such times in such manner as they think fit. Major as well as minor changes may be involved. Every effort, however, is made to ensure the accuracy of the particulars contained in this brochure. This publication shall not constitute in any circumstances whatsoever an offer by the Company to any person. All sales are made by the Distributor or Dealer concerned subject to and with the benefit of the standard Conditions of Sales and Warranty given by the Distributor or Dealer, copies of which may be obtained from him/her on request. Whilst efforts are made to ensure specification accuracy, brochures are prepared and printed several months in advance of distribution and consequently cannot always immediately reflect either changes in specification or in some isolated cases the provision of a particular feature. Customers are always advised to discuss specification details with the supplying Dealer or Distributor, especially if your model selection is dependent upon one of the features advertised.

Honda Access Europe N.V. Industriezone Noord V, Wijngaardveld 1, B-9300 Aalst, Belgium
