# CARBON EXTERIOR PACK

## CARBON EXTERIOR PACK\*

This pack is designed to seamlessly fit with the aerodynamic shape of the Type R and features a unique red detail embedded into the carbon. Everything a true petrol head needs on their car.

**Pack Includes:** Carbon Door Mirror Caps, Carbon B-pillar Decorations, a Carbon Wing Spoiler and a Carbon Rear Diffuser Decoration.

## CARBON DOOR MIRROR CAPS

Take your Type R to the next level with these handmade Carbon Mirror Caps with a deep red tone. These sleek and sporty mirror caps will make sure your car does not pass by unnoticed.

## CARBON WING SPOILER

With this top-of-the-line Carbon Wing Spoiler you can really maximise the extreme sporty look of your car. The center blade of the spoiler is made from real carbon fibre with a deep red tone. This spoiler is a must-have feature on every Type R!

## CARBON REAR DIFFUSER DECORATION

This hand made Carbon Rear Diffuser Decoration offers powerful styling to the rear of your car, emphasising the natural sportiness of the Type R.

## CARBON B-PILLAR DECORATIONS

Highlight the side of your Type R by applying authentic Carbon B-pillar Decorations, with a deep red tone within the carbon pattern.

# CARBON INTERIOR PACK

The Carbon Interior Pack highlights the extreme sporty DNA of your Type R by making use of carbon accents across the dashboard, centre console and door sill trims.

**Pack Includes:** Carbon Interior Panels and Carbon Door Sill Trims.

## CARBON INTERIOR PANELS

Bring style and extreme sports together in the 'cockpit' of your car by applying the Carbon Interior Panels. These handmade carbon accents on the dashboard, center console and front doors panels give your car that extra dash of sport styling.

## CARBON DOOR SILL TRIMS

Manufactured from real handmade carbon. These Door Sill Trims will make a lasting impression once you open the door of your Type R. The front Door Sill Trims feature the Type R logo.

## RED ILLUMINATION PACK

Surround yourself with ambient red illumination.

### RED ILLUMINATION PACK

The Red Illumination Pack uses a combination of lights to give an ambient atmosphere to the inside of your car and greater visibility to the exterior.

**Pack Includes:** Red Front Ambient Footlight, Illuminated Door Sill Trims, Red Console Illumination and Red Lining Illuminations.

### RED ILLUMINATED DOOR SILL TRIMS

These Illuminated Door Sill Trims are crafted in black anodized aluminum and feature a red illuminated 'Type R' logo. They protect the inner door sills from marks and scratches.

**Set Includes:** Illuminated Front and Non-Illuminated Rear Trims.

### RED CONSOLE ILLUMINATION

By turning on the headlights, the sides of the console become illuminated, bringing subtle lighting to the interior of your car with a sporty red glow.

### RED DOOR LINING ILLUMINATION

By turning on the ignition, the door lining becomes illuminated. It's fitted to the door handles and pockets, emitting a sporty red glow.

### ELEGANCE FLOOR MATS

These Type R Elegance Floor Mats give the interior of your car a more premium feel. Featured in black with red perforated binding and a woven Type R logo.

**Includes:** Front and Rear Mats.

### HONDA CHILDSEATS

Honda Genuine Childseats offer superior protection for your child from birth to 12 years, with two installation options - ISOFix or 3-point seatbelt.

### WINDSHIELD COVER

A shield against the elements, this Windshield Cover will also protect the mirrors and front side windows from heavy weather when your car is parked outside. Features Civic logo.

### WIRELESS PHONE CHARGER

The Honda Wireless Charger Kit ensures your compatible smartphone never runs out of power. Simply place your smartphone on the integrated charging mat for effortless charging without the hassle of wires.

### BOOT SILL DECORATIONS

These Boot Sill Decorations are a practical and stylish accessory for your boot. They protect against scratches and bumps and fit seamlessly on to the boot's lining. Finished in an attractive brushed stainless steel.

### CARBON HOOD AIR INTAKE DECORATION

The Carbon Hood Air Intake Decoration maximises the sporty look of your car. It replaces the standard hood air intake with an authentic carbon version.

### BOOT TRAY WITH DIVIDERS

Waterproof, anti-slip and washable, this tough boot tray has been designed with a high-lipped edge, which stops dirt and liquids making a mess of your boot. It also comes with useful dividers that help keep items secure and organised. Also available without dividers.

### BOOT MAT

A tough and flexible mat that protects your boot from dirt and scratches. It is designed to fit perfectly into the boot space and features a black and red perforated binding with woven Type R logo.
